**CHEERLEADERS...
EVERYONE'S FAVORITE
TRAMP, YAY!**

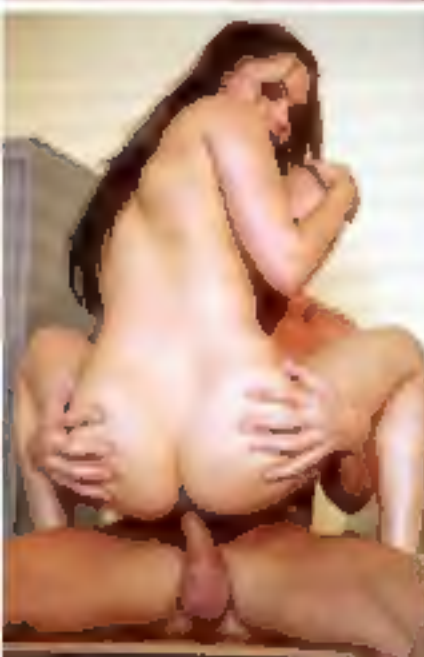

2 4 & 8, what do we appreciate...PUSSY...
PUSSY...YAY, PUSSY! Who hasn't fantasized
about cheerleaders? I mean, come on.
Sitting in the stands at a football game, the
cheerleaders in their short skirts, jumping up
and down you can see their legs kicking high in the
air, their bloomers in full view, and all you thought
about in those moments was that cheerleader
jumping up and down your cock. You jerked off to
that thought all the time, and you still do.

Cheerleaders are always going to be hot! I was
a cheerleader and I loved it. I knew every guy
was thinking about fucking me and my friends
underneath the bleachers after the game. Being a
cheerleader means having so much power. Even
teachers loved the cheerleaders. They just had
to keep it a secret. When I was a cheerleader it
wasn't just about fucking the football or basketball
players...we actually fucked each other. I fucked
the girls on my varsity squad all the time. After
the game, we went to a party, drank and fucked
each other. We sometimes recruited the JV squad.
We also loved fucking the same guys all at once. It
was like a game.

We especially loved going after the guys with
girlfriends. We would purposely flirt with the guys
together, and double-team him, just to see if we
could make them cheat. And they always did! I
loved being a cheerleader. It brings back so many
memories. Well, I did miss it until Digital Playground

decided to make *Cheerleaders*! I was so excited, Robby D, the director, is great and he is perverted like me. He even created a nine-girl orgy scene in a locker room that was so much fun and really hot at the same time. The girls were all A-list girls and smoking hot, they made my pussy so wet!

The movie stars Shay Jordan, Sophia Santi, Stoya, Adrianna Lynn, Lexi Tyler, Brianna Love, Priya Rai, Memphis Monroe, and of course me! There were so many other smoking hot girls in this movie that you can't go wrong. The locker room scene was intense. We started running in the locker room after a game, taking off our clothes slowly, and started gossiping like you would in school. We played truth or dare, had sex confessions, and it was all very sexy. Then we all started making out, and just went crazy. At one point, Lexi picked me up, threw me over her shoulders, and I turned around and started face-fucking her. I was holding on to the top of the lockers, which weren't connected to the wall by the way. Robby freaked out that I was going to get hurt. Then I grabbed a girl, I don't even remember who, and pushed her against the lockers, spread her legs, two girls held on to them in the split position, and I started fingering and ficking her pussy. There was so much going on I can't explain it; you're just going to have to watch it yourself!

Then I fucked Manuel Ferrara. He played the quarterback who was dating my friend, Memphis Monroe, and he came to pick her up. She wasn't there so I seduced him. I started licking an ice cream sandwich, then his fingers, and then we start fucking. It was my first time working with Manuel. He's so fucking good. We fucked like crazy on a couch, I started sucking his cock, then riding his big cock. I couldn't stop fucking. I was craving quarterback cock. There are so many crazy sex scenes in this movie that it will live out all your fantasies.

Cheerleaders fucking in the classroom, fucking teachers, and so much more. The cheerleader fantasy will never go away. It's usually the first fantasy you have when you are young, and when you are older, the fantasy is still there. You know how you have certain fantasies that come and go but this one stays with you forever. You will never stop fantasizing about hot, young girls jumping up and down, doing flips, wearing tiny skirts, no panties, boobs just bouncing up and down screaming and yelling "GO TEAM GO..." They mean you. They mean pull their bloomers down, bend them over a bleacher, and fuck them like they have never been fucked before. They mean watch them fuck their teammates. Yay, the cheerleader slumber party! Girls jumping on the bed, start making out, pulling out their strap-ons and fucking each other. They eat each other out, and swap each other's cum to the next girl's mouth. Just think about that tonight. I know your cock is hard right now as you're watching my movie. You better cum in my mouth!

See you guys in December!

Ava Rose is the new dancer at Club CHERL, where the porn stars come to strip! She wants to do really well and get some big tipers. We know some big tipers, and they expect to clip it in before they tip, if you know what we mean. Ava winks at us before going over to her first customer. Slowly she moves her butt, gyrating her hips back and forth, before she flashes her tits. Now she sits on his lap and rubs against his hard cock. She takes his throbbing prick out and starts sucking him off, until he lays her on her back and thrusts his meat into Ava's wet cunt. Ava takes every pounding until he shoots his creamy man sauce all over her face. Her sister Mia would be proud, as are we. She goes to collect her tip—a measly ten bucks. We forgot to tell Ava. It's a Monday night. That's when the K-Mart crowd shows up. The big tipers are the married out-of-towners who only show up on the weekend!

girls night out

Mya & Silvia

Silvia invites Mya over to her place. Tonight's the night she's going to turn her cordial coworker into a full-blown lezbie lover! After a drink and small talk, Silvia invites Mya into her bedroom with the excuse that she wants to show off her new window treatments (yeah, right, the only drapery she's got in mind are the beef curtains surrounding her fuck hole). Once they're in the bedroom, Silvia wastes no time getting Mya on the bed, spreading her legs and slipping her hand inside her panties. Much to Silvia's surprise she finds that Mya's pussy is already dripping wet. This is going to be easier than Silvia thought. Looks like a long night of fucking is ahead for these two. We also predict some pussy licking in the office supply closet in the weeks to come. At least these girls will enjoy going to work. ♡

INTERVIEW WITH A PORN STAR

KATSUNI

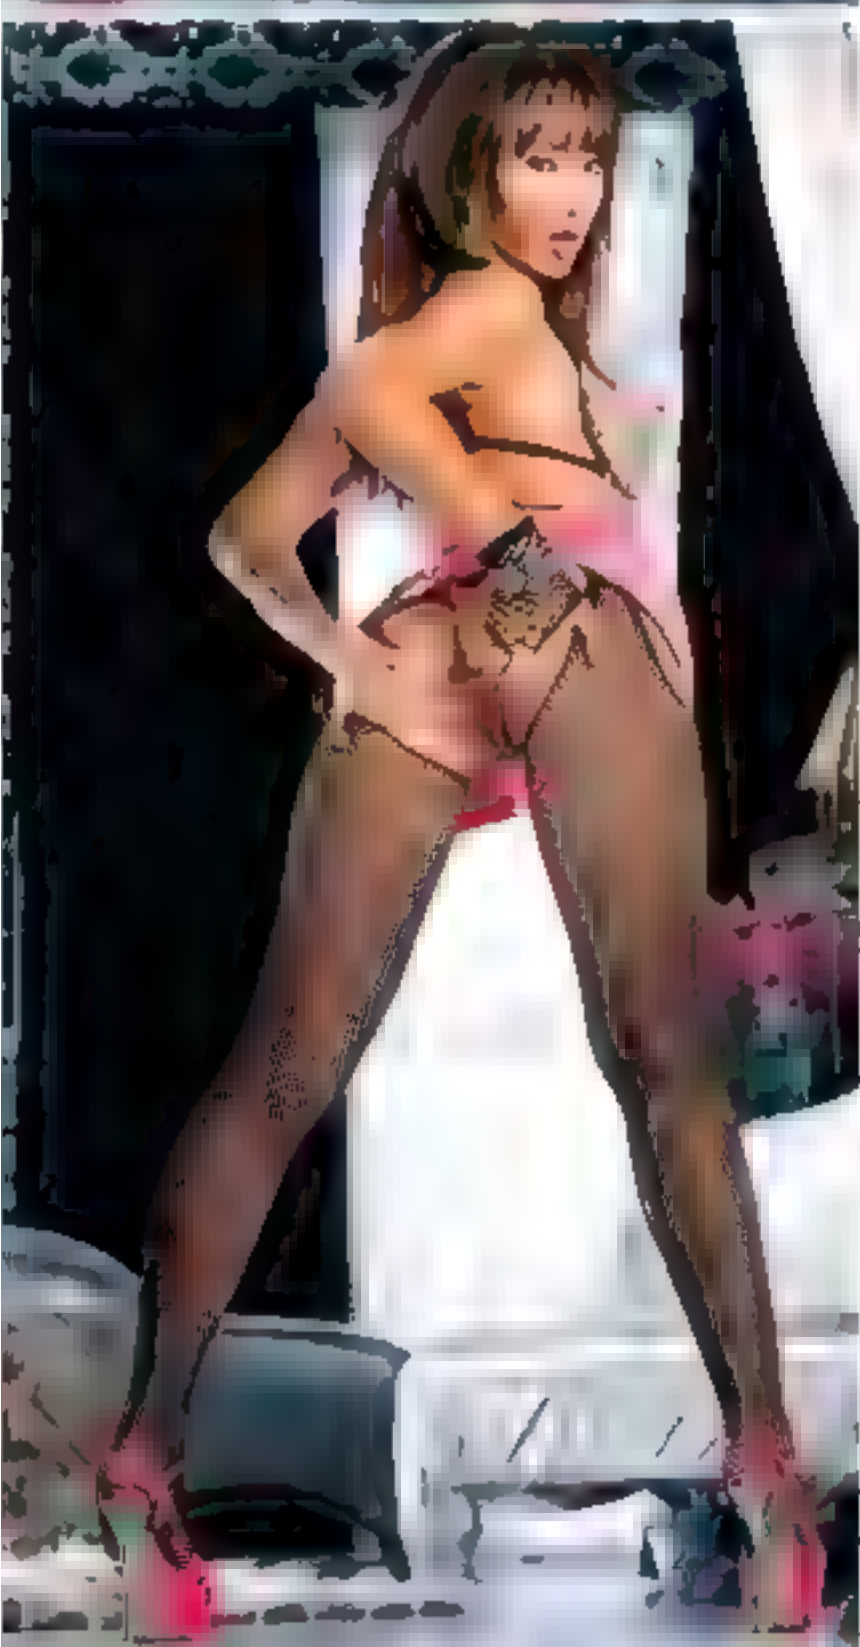

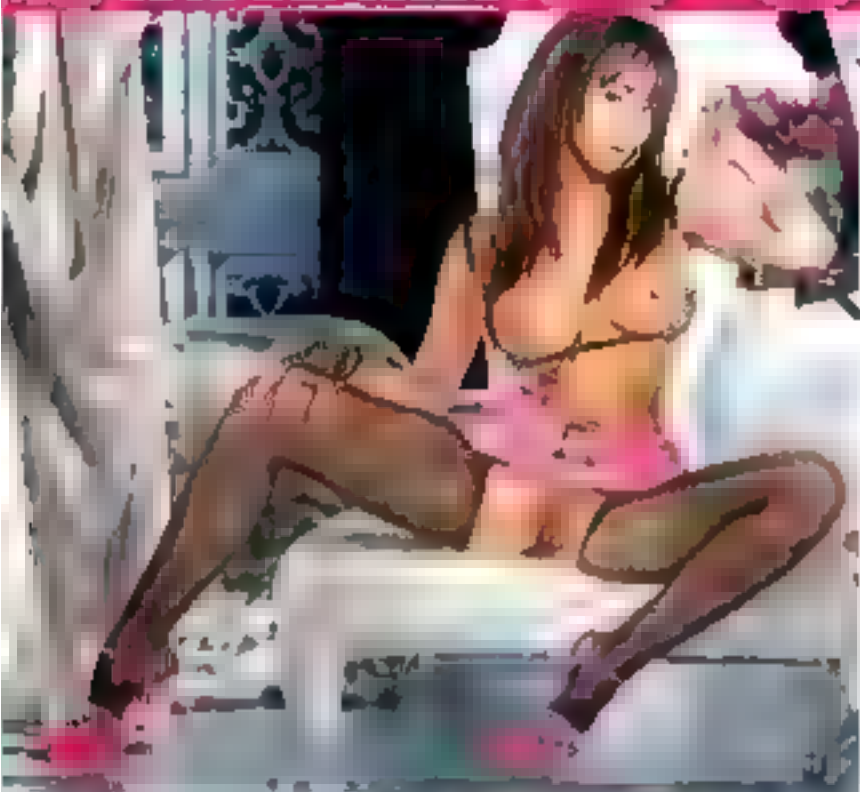

EURASIAN ANAL DP QUEEN!

Interview by Rob Perez

Pain Valley, CA—Katsuni is one of the world's most popular performers, having fucked her way through most of Europe and America for over the past seven years. She's won countless awards, starred in major skin flicks for all the top porn studios, has her own TV show in France, is a top-billed feature dancer, and is currently one of the stable of contract hotties for adult powerhouse, Digital Playground. The pornstar formerly known as "Katsuni" may also be one of the most intelligent babes in the business, with an explosive, sexually charged libido that has kept her pussy and ass busy well before she entered the business. And she, along with her Digital Playground girlfriends, will be seen in a major role in the soon-to-be released *Pirates 2* this fall. Katsuni will continue to be seen in a major role in our minds every time we spank one out! ➔

katsuni

Congratulations on signing with Digital Playground. How much you feel you've changed as a performer since signing with them?

A year before I signed with them I made the decision to work more on my career and my future. So before I signed with Digital Playground I had new goals and I wanted to do more feature, more glamorous movies, and not just be a hardcore performer. I wanted to be more of a porn star than just a performer. I've tried to do more quality movies.

Before I forget, how would I say in French, "I want to fuck you," to a girl, and "Can you give me a blow job?" You can say, "Je veux vous baiser," to fuck you, and "allez faire vous me donner une fellation" for the blowjob. But I don't think she will appreciate that because it might sound a little bit rude. (Laughs) If you can add please, "s'il vous plaît," it will be more polite.

American girls I can say "I want to fuck you," but not to French girls.

(Laughs) Yeah. It may be too direct. Even me. In my first scenes, I used to say to my partner, "Can I suck you?" and usually they like it. (Laughs)

Do you like being a Digital Playground girl? Has everyone been nice to you?

Yes, very. I have experience as a contract girl with a French company. It has been great for me to sign with them. I signed with them because I already had an experience with them. I worked with Robby D, and to work with them is very, very easy. I chose them, I know they make good movies, and they make very good promotion around it. I really enjoy being a contract girl with them because I know I don't have many years left in this business. I've been in this business for many years and I don't have time to lose time. (Laughs) So if I sign with somebody, it should be to do something better because I like to be independent. So when I signed with them it was an easy choice.

I've read that you had a sex addiction. Is that true? You read it in Wikipedia? (Laughs)

I think you may have hinted that the addiction was unhealthy. What did you do to overcome the addiction? It's very simple. I didn't have any private life. I didn't have a boyfriend. I was focusing so much on my career and my job was the main thing in my life, that I was always looking to work more and more because I loved to work. The more you work the more you have sex. And then it starts to be like a drug. So I had pleasure but it felt like a tool to always work more. For months I didn't have "real" sex. It was always "Get to work, Katsuni." So one day, I arrive on set, and I didn't feel good. It was very traumatic. I was traveling too much. During this time the type of scenes I was doing were very, very intense. I realized that I had no energy anymore, and I wasn't able to do a good scene. I felt very guilty because these people had booked me months before.

**I used to
have sex
with many
guys at the
same time
so for me, to
do porn was
very natural.**

And as a contract girl you do get to work less often. I work less in film. I don't do a lot of scenes but when I do scenes, I really enjoy the performances. It's not routine so it's even more exciting. I can do very intense scenes but I wouldn't say I work less. I work harder. I still work a lot but I do many different things. I do scenes, I do feature dancing, I do pictures, and I work for French TV. I'm producing my own things, I take care of my website, so I really work more but in a better way. I use my brain too now. (Laughs) which is very nice.

Is sex in your private life very wild, very crazy like in your porno movies?

Yes. In my private life I used to be very hardcore like in my scenes. I used to have sex with many guys at the same time so for me to do porn was very natural. In front of the camera I can still be myself and it's very natural. Of course when I'm in front of the camera, I'm thinking of the movie so I'm waiting for what the director asks of me. I may have to do four or five positions. In my private life I don't care about the number of positions, the most important thing is to enjoy it. But in my private life I'm still the same. I don't do scenes that I don't like, because if I don't like it, it won't be good.

So you've had orgies, group sex, three-somes in your private life?

Yes, but really what I preferred was to have sex with many men at the same time. That's what I prefer.

How do you arrange that in private, have sex with so many guys at once?

I was with my boyfriend. In fact I was very shy. I didn't know I was going to do that. My boyfriend said we should try it, so we went to several clubs, and slowly we get contacts, and that's how we arranged it. It's not so easy to sign men to fuck a girl who wants to be fucked. (Laughs) At least in France, I don't know about America, but in France it was difficult.

In your private life, did you also have sex with girls?

Yes, but not too much because I was very shy. I was afraid to talk to the girl and I'm very picky about girls. So finally, I tried it once, and it was really soft. But I had my first experience with girls in porn. It was very amazing.

Is your family fine with what you do for a living?

When I started, I didn't say anything. My parents are very old fashioned. It's not easy to say to your parents that

I love double penetration. I like being in the middle of two men.

katsuni

Some people like to drink coffee or smoke cigarettes, I like to rub my pussy.

you do porn, because I don't think any parent wants to have a child making porn. My parents are very strict. To give you an example, they told me to study politics, but when I told them I want to be a French teacher, it would have been a big scandal in my family. (Laughs) So of course I wasn't going to tell them, "I want to get naked at the strip club and I want to do porn." (Laughs) I didn't tell them anything, then I told them later in my career. They didn't really want to know, they let me do what I want to. And then they found out what I was doing. It's like a taboo but I have a good relationship with them.

You recently had to change your name to Katsuni. Can you explain why you had to change it?
In short, it's very stupid. If you go to my Myspace page (www.myspace.com/therealkatsuni) I tell you everything about it. About one year ago, I received a letter saying that I had to change my name or pay 500 Euros each time the old name is used. I've been using the name for seven years. I've won awards, I have my own company, Club Katsuni, LLC. My website, my trademark, everything had to change. The laws in France are not really for porn, and after one year we finally agreed to change the name to Katsuni.

I'm sorry you had to go through that. Yeah, it took a lot of energy, a lot of money, and it's very, very stupid. Now when you put her name on the Internet, lots of people see her name and now she's famous. (Laughs) Not in a good way.

I support you if that means anything.
Thank you very much. You can send me a check to my address, and I accept credit cards too. (Laughs)

I'll get the word out, "Katsuni needs twenty thousand Euros, the amount she had to pay the woman who sued her."
For real. If each of my friend's on Myspace sent me \$1, right now, I would have \$40,000. My real fans, they can help me this way. (Laughs)

What is the best thing about being a porn superstar?
Just to be in porn, because you can enjoy porn without being a superstar. For me to do scenes, to have sex with men and women in front of the camera, for me this is a great thing. After seven years I still love it. To be a superstar in porn, of course it's great because it means a lot of different opportunities and I love doing many different things. I like to be creative. So what I prefer for

sure, is to be able to create many things around porn, to run my own companies, start doing my own scenes, and to be able to feature dance, to be able to travel and meet all kinds of people. Of course it's great. I really feel lucky to be in this job.

Do you like being naked?

No. (Laughs) It's such a funny question, it's interesting. Naturally, I'm not somebody who likes to show herself. I like to be simple, quiet, I love to be sexy when I go out. But in my daily life I'm very simple and I'm very shy. I'm so shy that sometimes I can have some problems, even when I go to the gym or when I go to the beach. I have to go to the beach at 7 in the morning just to be alone because I really don't want people to see me. And it wasn't because of my job, I'm like that since I'm a teenager. It's funny because I don't like to be naked in front of people but as soon as I step in front of the camera I forget everything. I enjoy being naked when I'm having sex but in my private life I'm much more shy.

Do you have a favorite body part?

I love my new breasts. (Laughs) I'm very happy about my new breasts.

Why did you get a breast job? You had really nice tits before. Why did you want to get them bigger?

Because bigger is better! (Laughs) I know that my breasts before were very nice, and nobody complained about it. Some people think that it's because of the business, that some company or maybe my agent pushed me, but it's not true. Even my agent told me, "Oh please, don't get breast implants. I pay you not to do it." But I love big boobs. I love rubbing titles so I just decided to have something bigger for me, and I think it's more sexy and more sexual. When I touch myself, when I watch a porn movie, I really focus on the breast of the girl. So I wanted to feel more sexy.

You mentioned you touch yourself. Do you masturbate every day?

Yes. Sometimes I can't because I don't have time. When I do it can be because I'm excited about something, sometimes it's because I want to relax, before I sleep, or when I wake up it's a good way to start the day with a big smile. (Laughs) I think it's a very healthy hobby. Some people like to drink coffee or smoke cigarettes, I like to rub my pussy. (Laughs)

What is your favorite sexual position?

I love double penetration. I like being in the middle of two men. When I'm with one man I like spooning. Your partner can lick your ear and kiss your neck.

Do you like anal sex in your private life?

Yes. (Laughs)

Do you do DP's in your private life?

I did a lot of DP before I did porn. I still do and I really like it. It's great because for me, it's natural to do both at the same time. It's double the pleasure.

What would you say are the differences in sexual attitudes between French and American women?

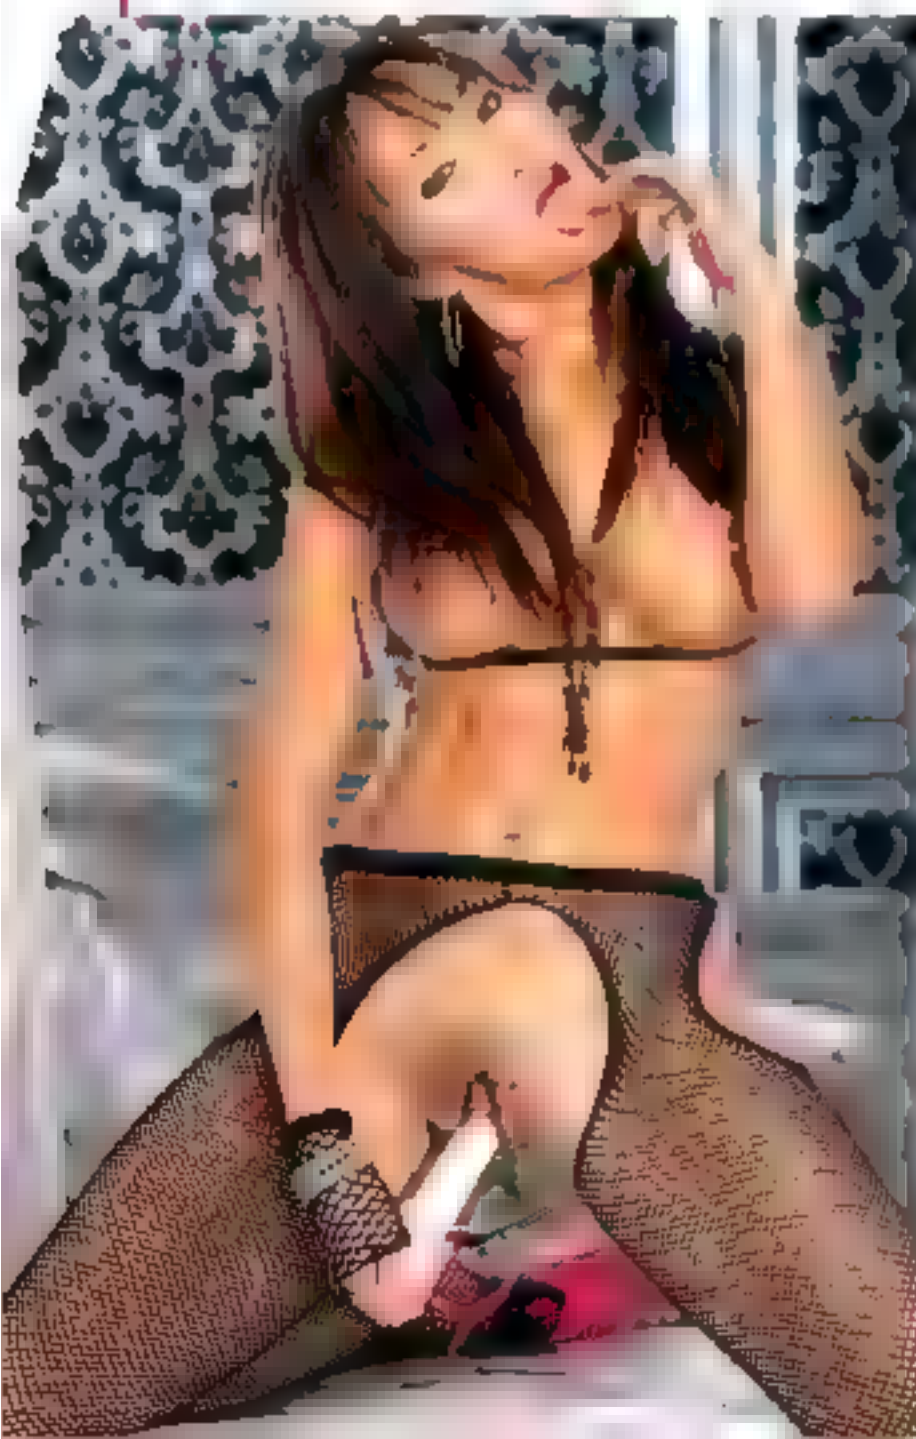

French women are much more shy, simple, natural. I think they are sexy like that. In France, men are always looking for American girls, and American men are always looking for French girls because they are so different. French girls are much more girls next-door type. They don't look like porn stars but that is cute because they are more natural, and they don't over-react. American girls are very expressive and sometimes it's too much. It's perfect for porn. But sometimes they scream or the talent is very noisy. I was very surprised to see the new American girls in porn behave as if they have 5 years of experience. So already they don't act the same way, but they are better to please because they know how to please men.

CHEERLEADERS ⚡⚡⚡⚡ (Digital Playground)

Starring: Jesse Jane, Stoya, Shay Jordan, Sophia Santi, Adrianna Lynn, Priya Rai, Camryn Kls, Alexis Texas, Memphis Monroe, Shawna Lence, Lexi Tyler, Brianna Love.

Digital Playground presents cheerleaders the way we fantasize about them—sex loving, cum junkie, pussy eating whores! We always knew cheerleaders were skanks, and this jizz shooting fuck flick features our favorite babes in hot vignettes that showcase their sexual prowess. Jesse Jane will do anything to deep throat Manuel Ferrara's French cock, and rides it until she gets him to give her a hot cum facebath. Adrianna Lynn shows virgin cock tease Shawna Lence how the big girls do it, and dives into her muff while Johnny Sins rides her pussy in hard-charging doggystyle action. Brianna Love gets Stoya to help her double team Manuel, but it's the girls that get reamed—up their tight asses—after Manuel lubes up his cock to get it ready to enter their exit holes! And we knew cheerleaders loved to dylke it up. The grand finale is Jesse, Stoya, Shay Jordan, Priya Rai, Memphis Monroe, and all the rest of the cheerleading slut squad burying their tongues in twats. Definitely one of the all time greatest lesbo gang bangs we've ever spunked it to. We love cheerleaders when they're hot, nasty, and craving to be fucked. Don't miss out on this fantasy!

JULES JORDAN'S INVASIAN! 3 ⚡⚡⚡⚡ (Jules Jordan Video)

Starring: Luci Thai, Mya Luanna, Tia Tanaka, Tia Ling, Lana Croft, Charmaine Star, Priva.

We've been waiting a long time to bust a nut to the new *Invasion* fuck flick, and the wait was well worth it! With these Asian whores it's gonna be hard for Jules to top this jerk. Tia Ling starts things off by sucking off a couple of mopes, then getting her hot Asian hoies double stuffed, followed by four hot cum loads shot straight to her exotic face! Tia Tanaka takes all of Jules inside her cunt and deep throats his cock before he unleashes a huge white splooge. Exactly what Tia was craving. Mya Luanna gets her asshole reamed for the first time and Jules is the lucky recipient of being the first one to plow his member in her browneyes! Charmaine Star gets her tight ass filled to the rim, but Luci Thai gets her bouncy Asian butt stuffed by four hard cocks, and her body trembles while having all her holes penetrated. Hands down, Luci is the dirtiest, nastiest, sluttiest gotha whore we've ever jerked our cocks too. We'll be glad to wait for the next "Invasion" as long as Jules keeps bringing more nookie Asian sluts to be banged, sammed and spunked upon!

ANNETTE SCHWARZ IS SLUTWOMAN 2

(Elegant Angel)

Starring: Annette Schwarz, Kimberly Kane.

Super slut Annette Schwarz is the perfect choice to be slutwoman, and she doesn't disappoint, as she travels across Porn Valley to unleash her whorish ways. Tall, blonde, and totally nasty, Annette Schwarz is a cock junkie who can deep-throat any sized cock, as she does to the likes of Steve Holmes, Manuel Ferrara, and Brandon Iron. Annette even has time to be slammed by a bunch of broths in an interracial gang bang that shows Annette getting pummeled in all holes, and still leave walking upright, albeit with a glazed, frothy look on her filthy facial. Locking lips and tongues with Kimberly Kane, Annette devours Kimberly's appetizing pussy, before getting mercilessly face fucked by Steve Holmes, who gets to bang Annette and Kimberly up their tight buttholes. Manuel gets Annette all to himself, and leaves Annette lying face down in a pool of his splooge after he's done pounding away at this German slut. The French finally get revenge on those nasty Krauts! More cojis follow to dip deep inside Annette's holes, and—though she looks like she's ready to throw in the towel at a couple of points—Annette ends up craving even more cock, pussy, hole stuffings, and cum. That's why we love this slutwoman!

MEET CASSIDEY

(Ninn Worx SR)

Starring: Cassidey, Samantha Sin, Celeste Star & Gabriela Rossi.

Compared to most porn I've seen, this is one of the more elaborate (read expensive) films in my collection. The lighting, shadows, apparel, and cinematography are dope. If you want to watch well produced porn Meet Cassidey is your film. One of CHERI's favorite babes of all time, Cassidey starts off strong giving head in a very industrial setting, which just ups the raunchy factor for me. What good nymph doesn't like a dirty alley for a quick fuck? We've got a similar technique and I'd like to think I look that good when I give head. She gets hammered for about twenty minutes, and you can tell she wants to get fucked harder, but she doesn't complain. Cassidey shows up with Samantha Sin in scene two, although Cassidey is more of a perverted voyeur here. Samantha Sin is such a mouth-whore, she takes a dick in slow deep strokes. Cassidey and Celeste Star dyke it up for us, and Cassidey shows us how she wants to get fucked when she uses Celeste as her sex toy. It's just as I suspected: hard and fast. Cassidey drills Celeste with a dildo that the girl in me noticed matches her heels. How fashionable! Gabriela Rossi gives us the first threesome as she takes two cojis deep. She's also the first, and only, to get her ass smashed. Cassidey gets hammered the best in the film's final scene. I'm talking balls-slapping-her-clit good. It's no wonder she cums all over the place. It was visually stunning, but I was left feeling as though Cassidey didn't get fucked the way she wanted to. I may have to pay her a visit cause I know I can fuck her better than any cock could.

SISTA 25 ******* (Afro-Centric Productions)

Starring: Mone Divine, Sinnamon Love, Stacy Adams, Nikki Fairchild, Olivia Winters, Candice Nicole, Miss Tia, Nia, Amile Waters, Melrose Foxx, Nazar, Kaylani Cream.

If you are into intra-racial lip service, this is your film. A total of five scenes of pussies getting rammed by everything in arms distance has to be a good time. Mone Divine and Nikki Fairchild start off this muff dive and then fuck one another on the stairs. Stacy Adams and Candice Nicole set it off in scene two, and leave me wishing I could get off just by getting finger fucked. The jazzy orgy starts off with old schooler Sinnamon and Kaylani Cream in an intergenerational twat kapping. They happily welcome Amile Waters, Melrose Foxx, and Nazar to their clit fight. Believe it or not, I wasn't too impressed. I did get off a little bit watching Melrose Foxx keeping her face in everybody's ass. Kaylani Cream does a good job ramming her tongue in Melrose Foxx's pussy and ass to make her cum hard. Then the ladies bring in a double-headed dildo. They start off well, but I was hoping they'd get it in a bit deeper, I know I could take it deeper. Sinnamon and Miss Tia both have luscious bodies. They, hands down, have the best performance. Miss Tia's pussy is so wet I was hoping Sinnamon would dive in hard. I'd love to see Sinnamon's tongue deep in Miss Tia's twat; alas, it was wishful thinking. Olivia Winters and Nia wrap up this film, and I totally got off seeing Nia sitting on Olivia's face. If I were Nia, I'd want my ass slapped! Maybe I should give these babes some pointers on how a broad should fuck a broad good!

When you're young and slutty in Europe you dream of coming to America to pose naked for the world's hottest sex mag. "Everybody in Europe reads *CHERI*," says October Tart Of The Month, Anita Pearl. "All the girls want to be in *CHERI*... to be a Tart..." Anita is no different. When she visited our New York office recently, Anita had no qualms about taking off her clothes, flashing her awesome tits, spreading her pink and her ass, and showing us all her tasty goodies. She even licked her fingers and started probing her moist box. "This is a dream come true to be in *CHERI*," she explained, as we drooled on ourselves. It was a dream for us, too... a wet one. Welcome to the pages of *CHERI*, Anita. Maybe next time you'll bring some of your young and slutty friends along! ☺

The casino is shutting down the \$2-\$4 No Limit Hold 'em table Nikki Sun is playing at, so she invites the rest of the guys at the table back to her room for a private game. The guys know the score—there won't be any more cards played tonight! Their one-eyed jacks are already hard and dripping pre-cum. Back in her suite, Nikki produces a deck of cards and tells the guys to draw off the top to see who gets to fuck her first. Each man draws an ace. Hey, Nikki stacked this deck! No problem—the four men all have at her at once. Before long Nikki's face is full of cock and balls, gagging on each stiff prick until it's wet and ready to enter her throbbing holes. In no time, Nikki is being flipped over, on her hands and knees, being DP'ed. As promised, each dude gets a chance to drill Nikki, and shower her with a hot jizz bath. Everybody wins in this game, and Nikki is ready to play all night! Clearly, she's a no-limit kind of girl! ♠

When she's working on a major movie for Vivid, Monique Alexander gets paid to take her clothes off. But even at home, when she's not working, Monique loves being totally naked. "I have neighbors who are always outside on their lawns, and I catch them sneaking a peek at me," says Monique, who's naked, sitting on a chair with her legs spread and her twat exposed for this interview. "I don't mind flashing my tits, or mooning them. If I'm in a really naughty mood, I'll rub my pussy and pinch my nipples." In fact, that's exactly what Monique is doing right now in front of us. "I get so turned on when I see their cocks getting hard, that I think about going over to borrow some sugar and giving them a little something sweet in return." Hey Monique, we've got some sugar here by the cruddy CHERI coffee machine. We could be your horny neighbor! Baby, let's play house! ♫

BARELY THERE

**TITS GALORE—AND A WHOLE LOT MORE—
AT BARE ASSETS GENTLEMAN'S CLUB!**

GRIN & BARE IT

On another one of our horny adventures, we decided to check out the T&A scene in Tampa, Florida, where we discovered the hottest gentlemen's club for 20 miles around in the nearby town of Holiday. The name of the club is Bare Assets—and when they say “bare assets” they aren’t kidding! Scores of hot, gorgeous, luscious, sexy babes are the usual daily lineup inside this Mecca of boobs and booze. Simply put, the girls of Bare Assets are the best looking around. Plus, the prices are well within reason, with a full liquor bar in tow, and packed with girls you only fantasize about—how can you go wrong? Our boners haven’t wilted yet since we came back, and as you’ll be doing after your first visit to Bare Assets, we’re definitely planning a return visit very soon!

ALWAYS FUN WITH A COUPLE OF TENDER DUNS

With a party atmosphere in full effect 24/7, you can always expect Bare Assets to be fun. Besides the eye candy always at the ready to bare their assets, and other firm, young body parts, Bare Assets also welcomes the hottest feature dancers and porn stars. Just imagine jigging college coeds shaking their tits, sharing the stage with Porn Valley's nastiest, dirtiest vixens. Whoever wins the T&A battle doesn't really matter, because the patrons are always treated to a sex-filled, steamy night to remember!

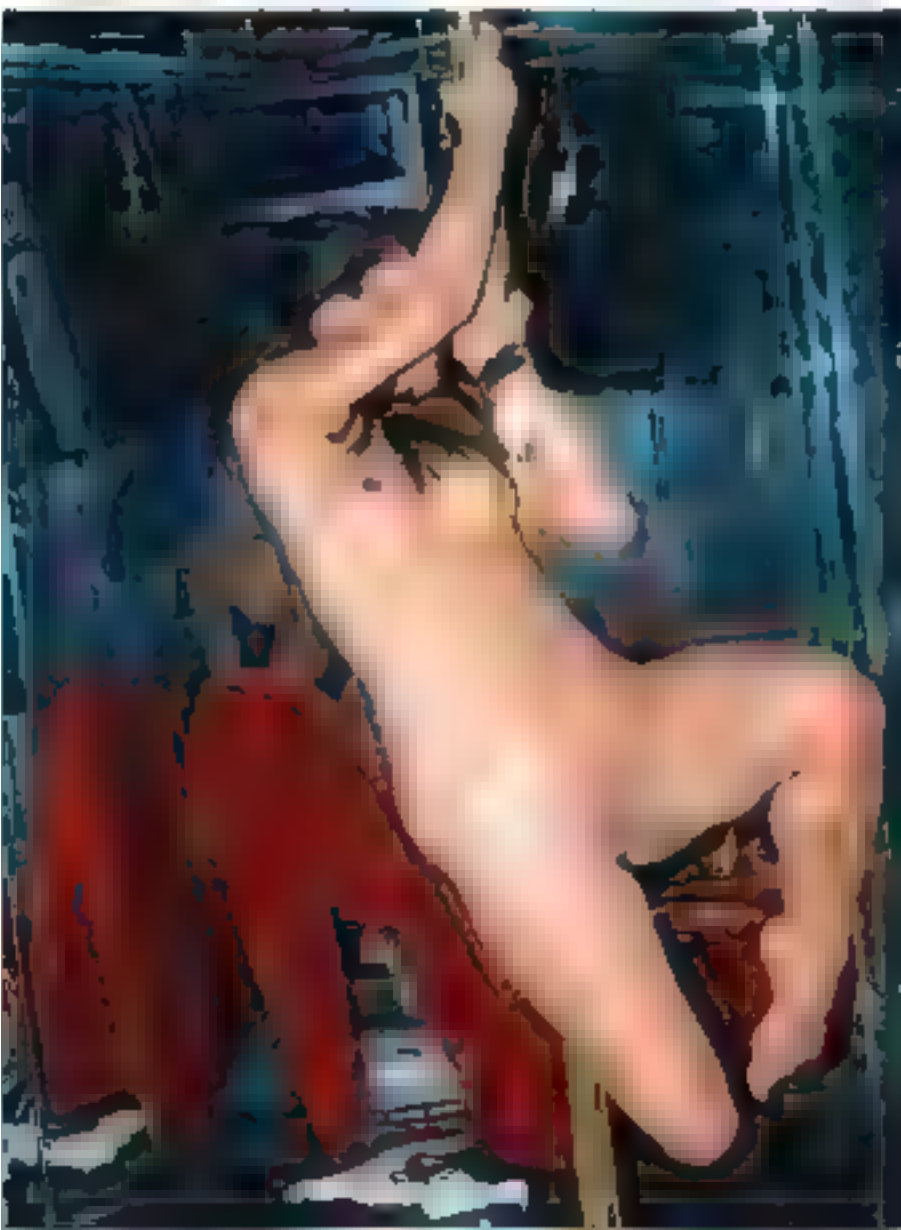

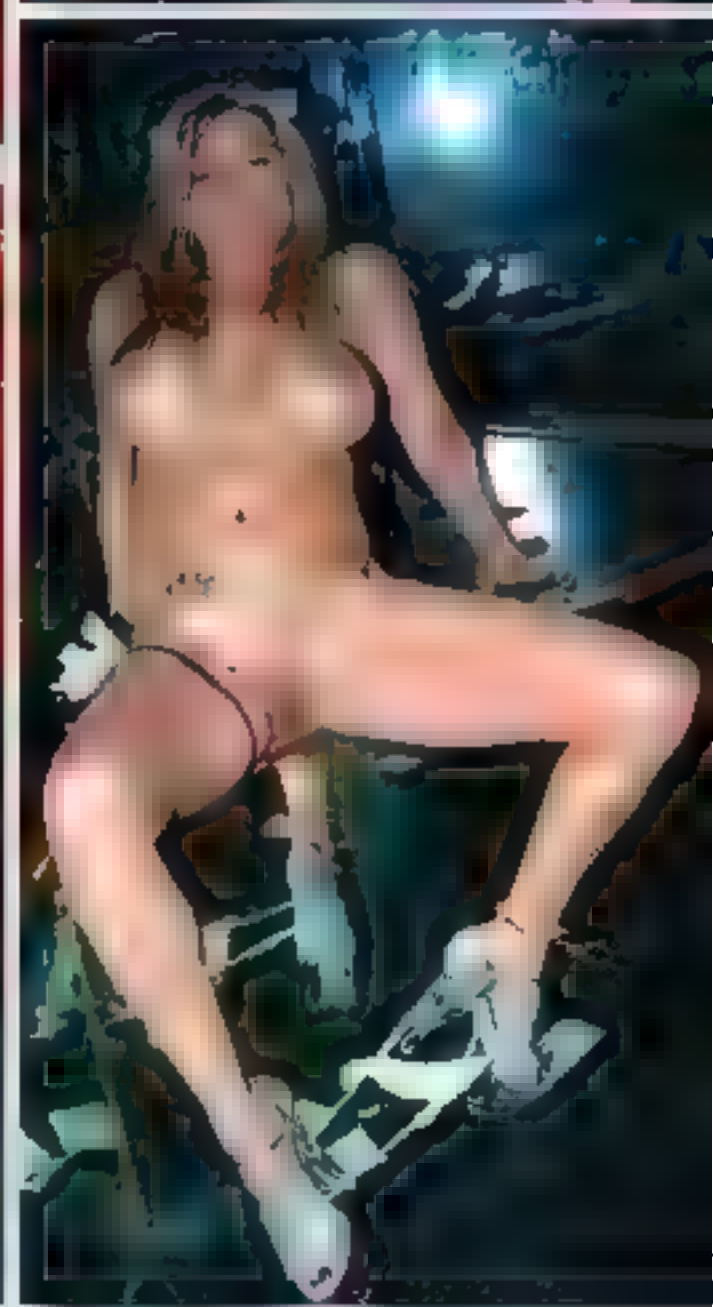

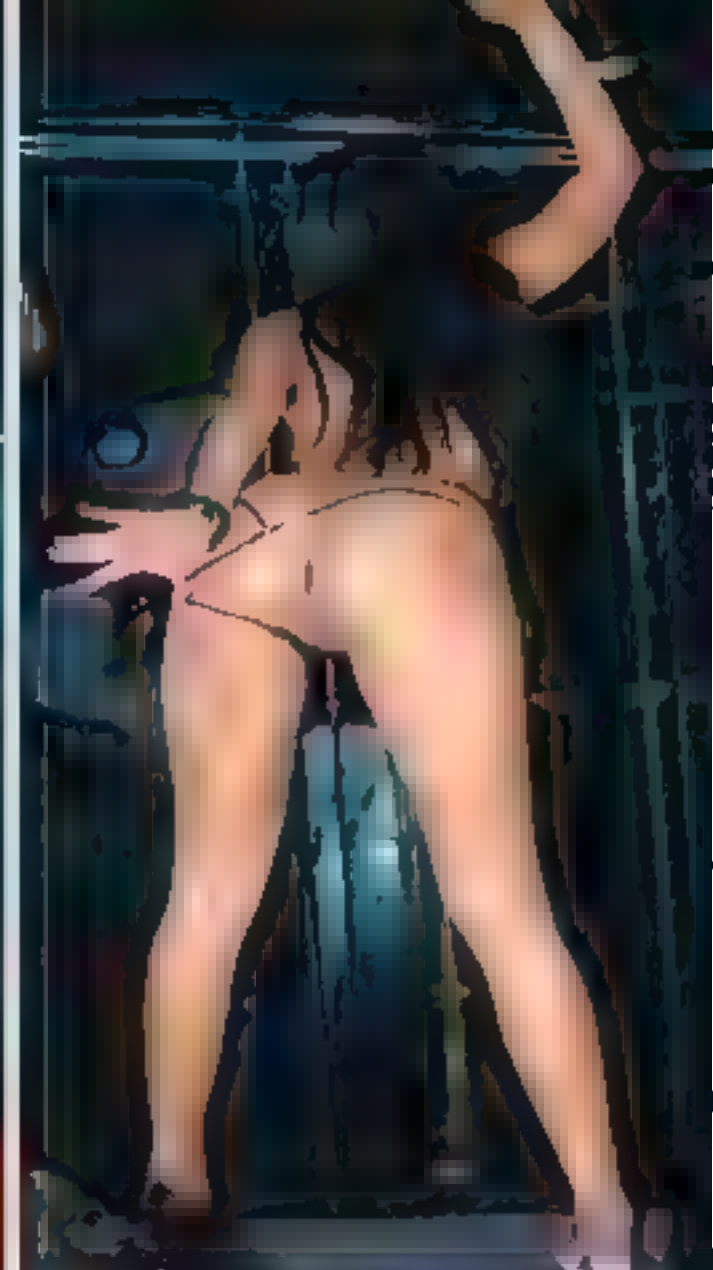

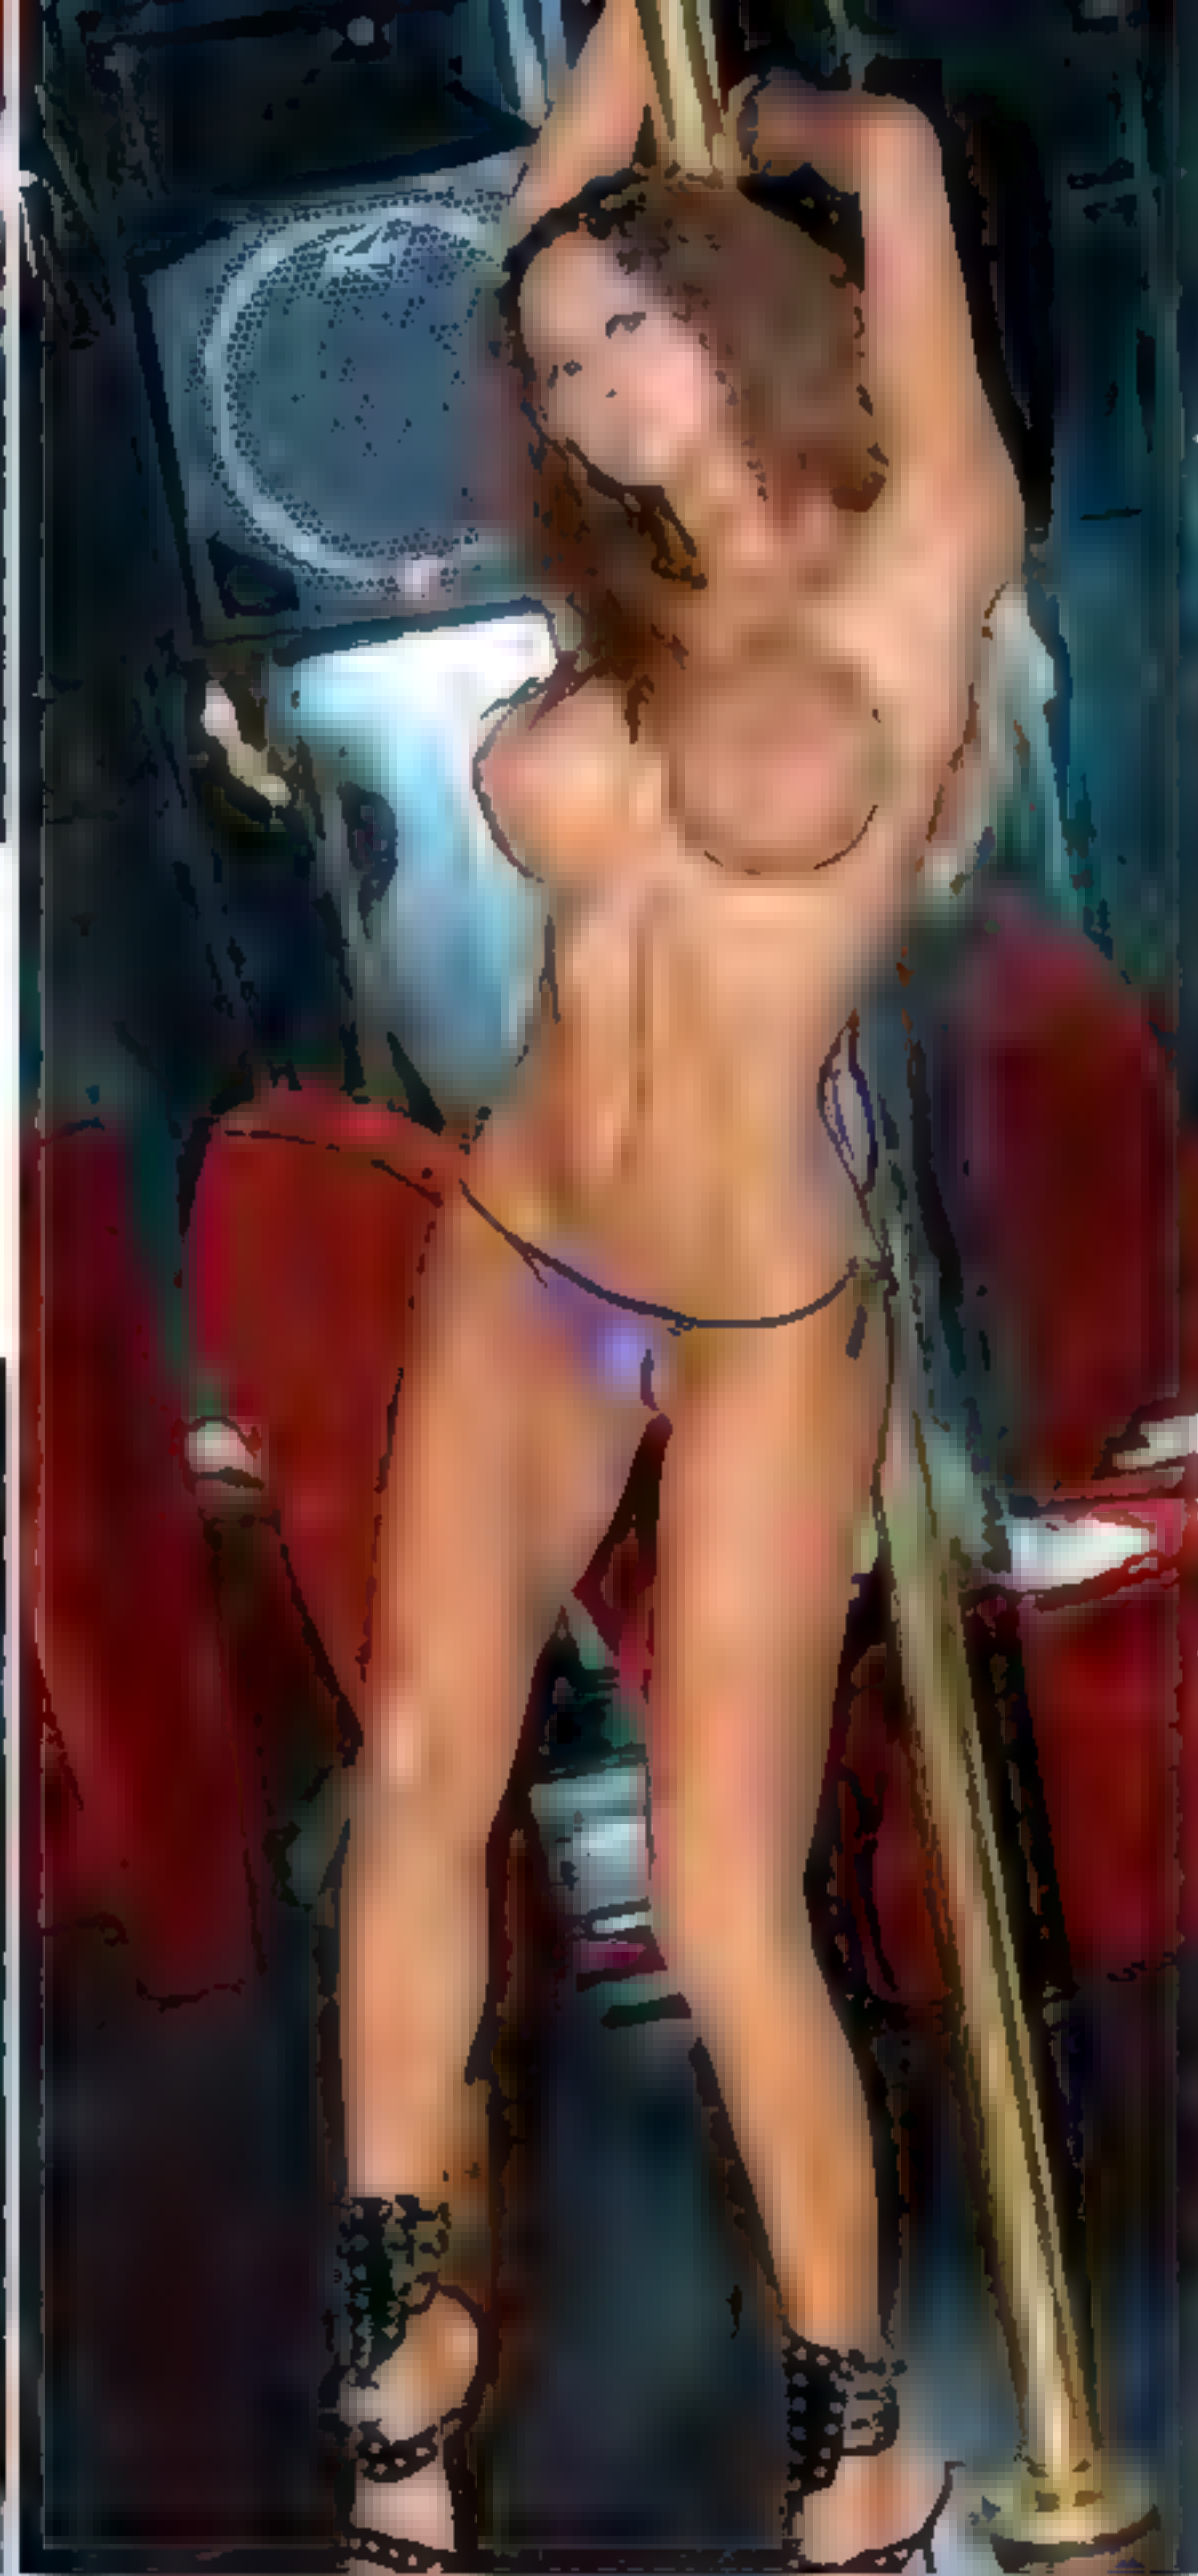

CASSIE SPREADS LIKE
BUTTER...MELTS IN YOUR
MOUTH, TOO!

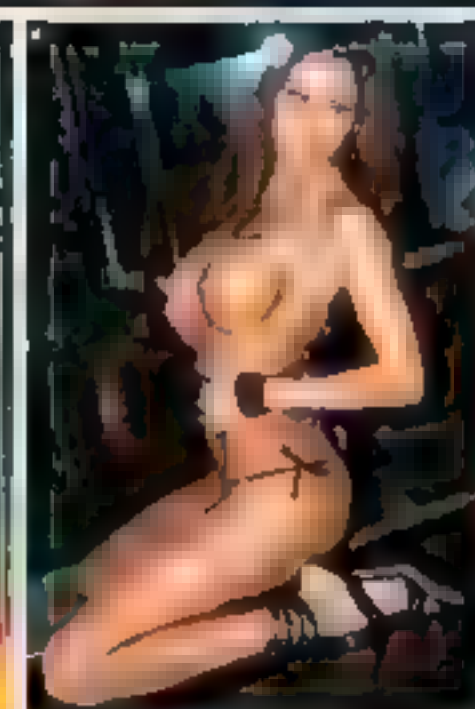

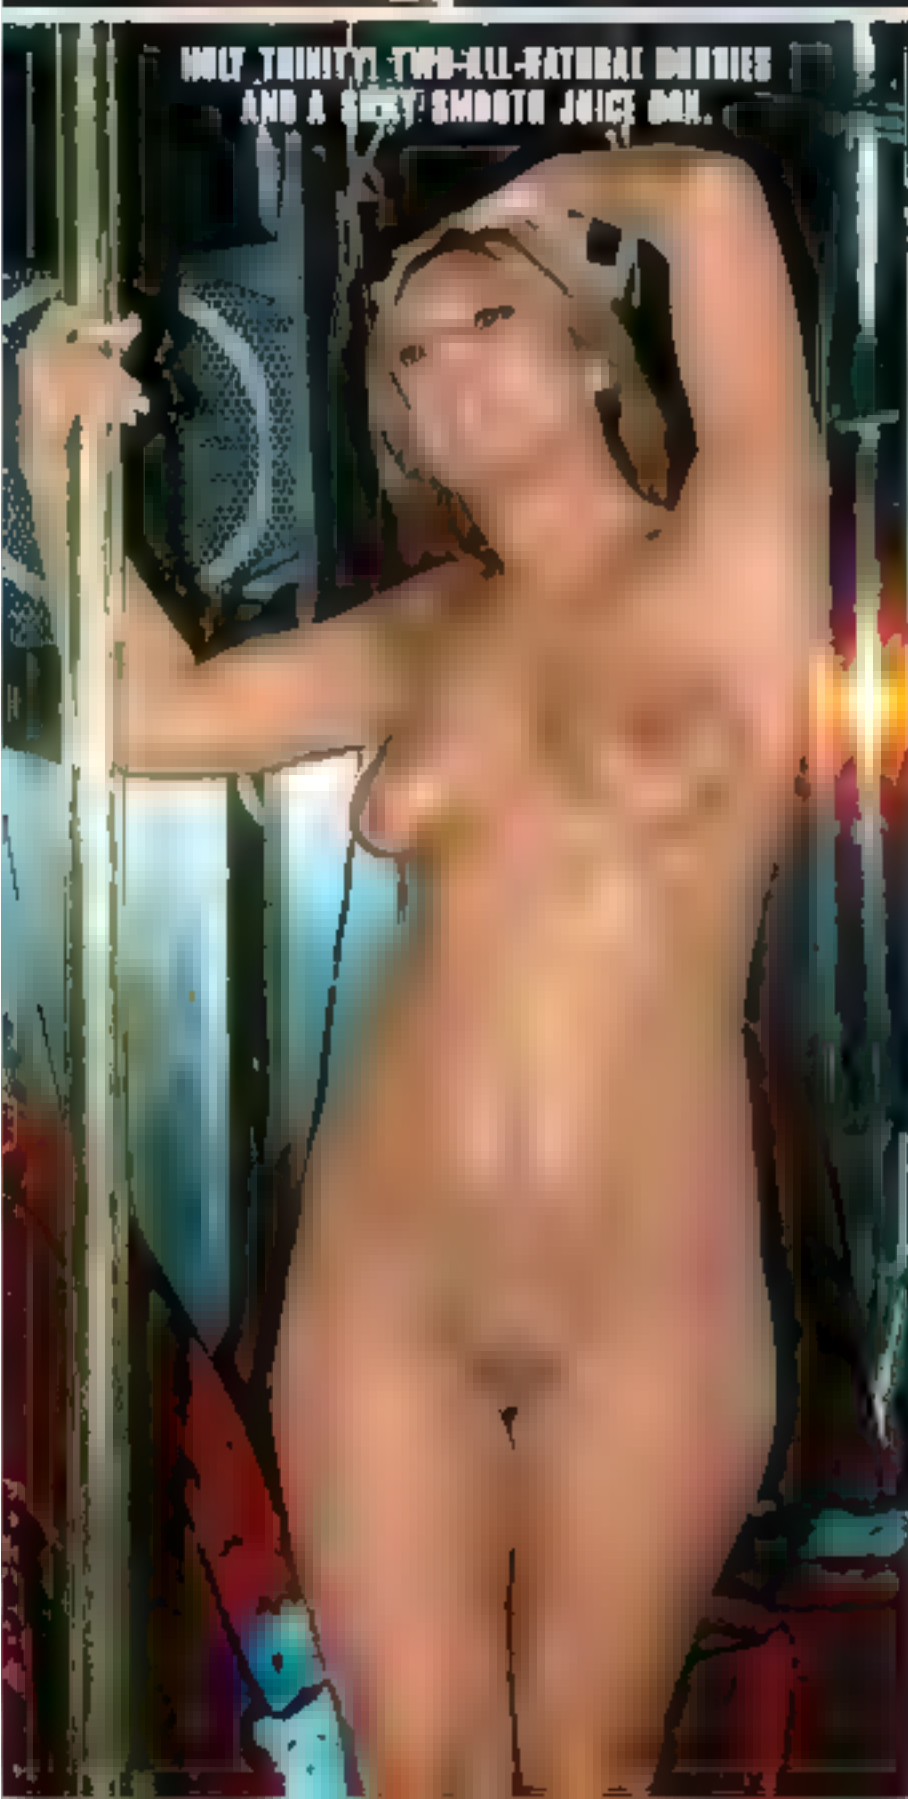

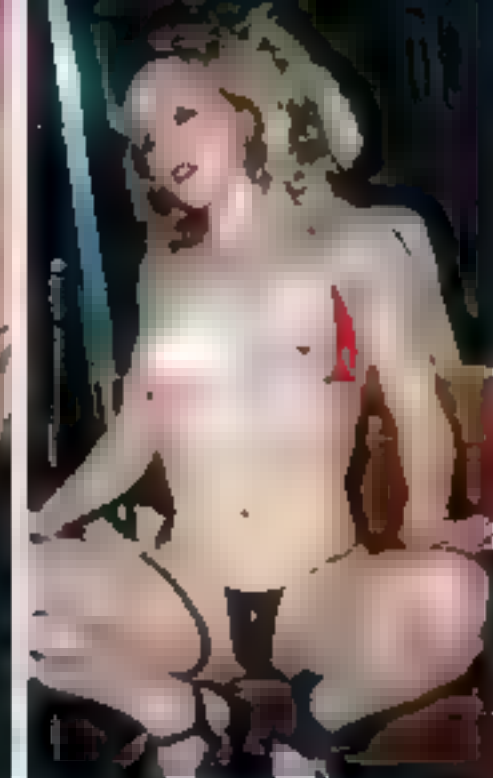

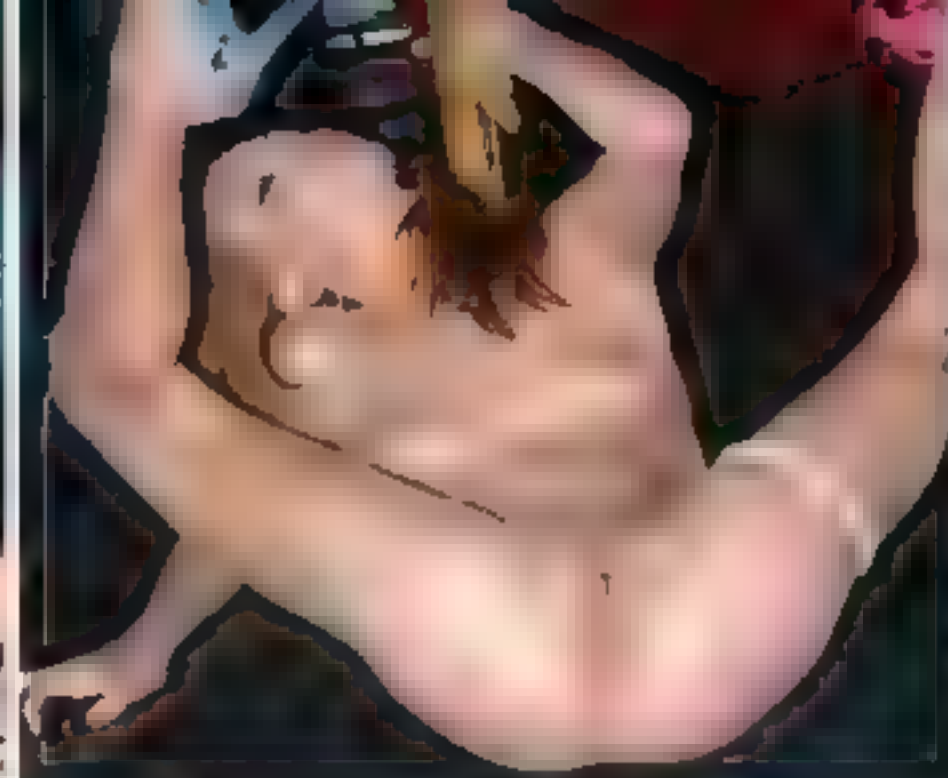

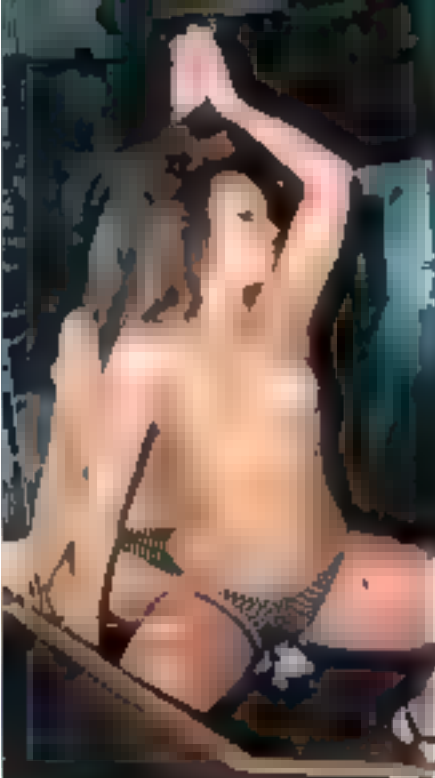

MAKE SURE YOU CUM BACK!

You'll never want to leave Bare Assets, and we can't blame you. Each day, Bare Assets provides you with an exciting show featuring at least 70 of Florida's most gorgeous ladies, hourly drink specials, state of the art sound system, private VIP rooms, and new features every single month! Bare Assets is also the ultimate club to have your bachelor party, so for those of you about to take the plunge, enjoy one last night of freedom at Bare Assets. You and your guests can enjoy any of their open bar packages while watching the girls gyrate their hips in your direction in their barely-there bikinis or thongs—before it all comes off. Or, if you have a special event in mind, and just want a place to unwind and look at beautiful naked women, Bare Assets will ensure you and your guests will be treated like royalty. The staff and club girls work hard to ensure that you and your guests have the time of your life. Trust us, we sure did!

FUCK DOLLS 10

LOVE FUCKING DOLLS!

Most of these ladies are of relatively new, so it's only natural to wonder if they can keep up with the cocks they're up against with. Can Chayse Evans, only weeks in the porno racket, really handle Mr. Pete? Kristina Rose is a little cocky, but is she ready for Steve Holmer? Is it fair to pair up Kimmy Thai with ultra-experienced Mark Wood? And just who is Taylor Thomas and what will Mr. Pete do to break her in? Of course, there's Claudia Rose, a nominee for AVN Female Foreign Performer of the Year, and we all know what she can do. She gets two guys—John Strong and Pete—and gives each the ride of their lives. One supposes that one of these girls might actually not be able to handle their man, but they are pros, at least pros in the making. At the expense of giving away the endings, each of these girls performs most capably. The girls who are less familiar will be much more familiar in the near future, at least if we have anything to say about it! ➔

CHAYSE EVANS & MR. PETE

In person you'd never think Chayse was such an intensely dirty girl. Hot? Absolutely. Sexy? Without questions. But kinky? Not the first impression.

Then she comes out dressed in thigh-high boots, a G-string and some other attire with lots of clamps. Oh, and she has a very long, very thick whip in hand. First Pete squirts her backside with what looks to be water, then he douses her fine rack with milk. That's about all Pete can take, so he pulls her panties aside, bends her over and

She gets on top and her ass jiggles as it bounces up and down on his cock. She rides high and hard, calling out, "Goddamn your dick feels good!" as she grinds hard on him. Pete is relentless, taking her through every position in the book. In missionary she goes wild rubbing her clit, repeatedly telling him how much she loves his cock.

"Cum right on that fucking ass," she tells Pete after she's already cum many times. He blazes her backside and fingers some up to taste. "Mmmm," she says naughtily.

KRISTINA ROSE & STEVE INDIEN

Kristina is sexy as hell, but she's young and one wonders if she can take on an old pro like Steve. Pete has her show off for the camera—jiggling her ass and showing off a surprisingly hairy twat. "It's so the boys can smell me," she says.

Steve don't care about no stinkin' hair, he just likes pounding pussy, and Kristina says she's ready for him. He has her on a stool and nabs her from behind, easily cramming his massive meat into her fuzzy cunt. He then stops and plays with it a while, proving himself a maestro when it comes to playing with pussy.

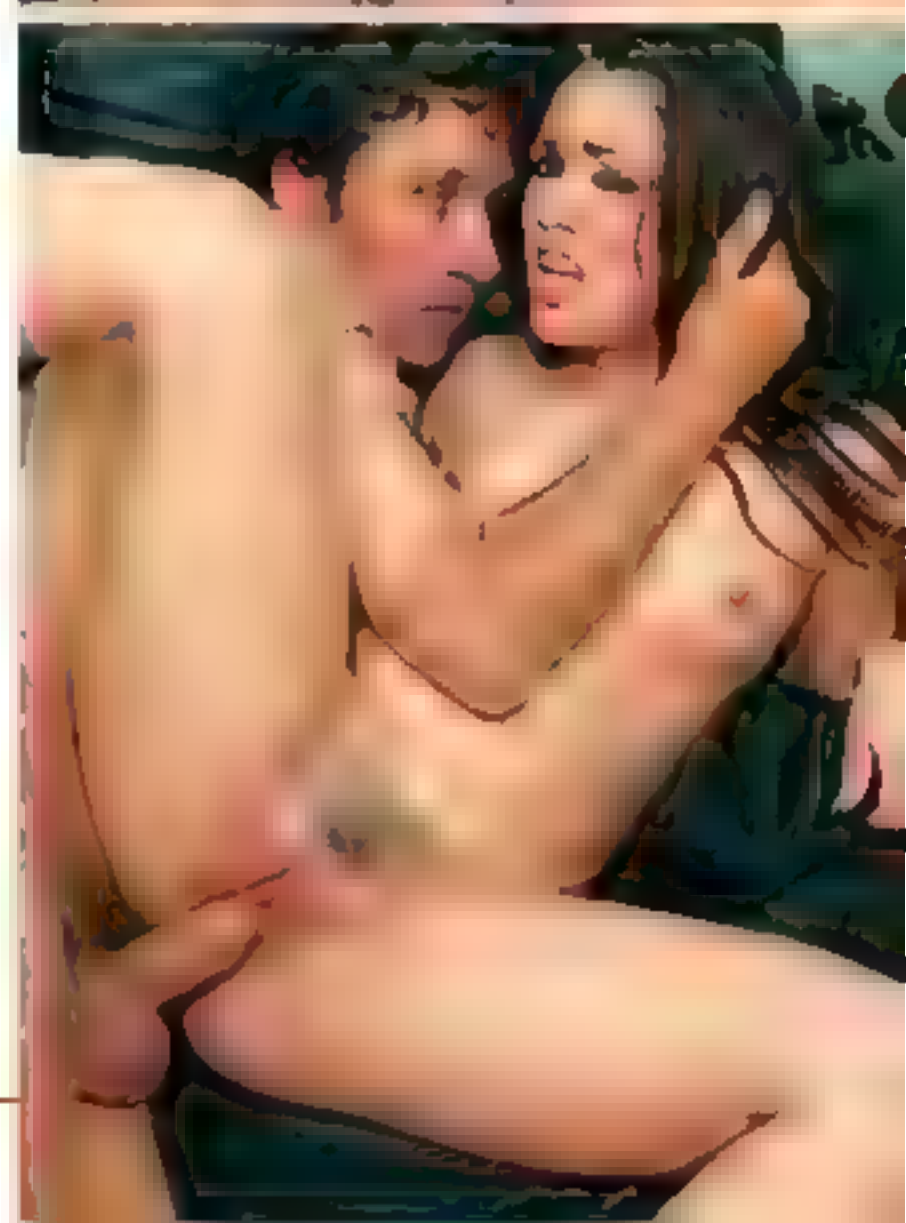

He screws her in a sort of side spoon, fingers dancing gingerly around her clit and Kristina is completely out of control, submitting completely to his sexual whims. She masturbates for him, tries to deep throat him and without a moment's hesitation, jumps on his monster as he reaches around and fondles her asshole. She screams as she rides the full length of his cock, and he grabs her by the cheeks and guides her.

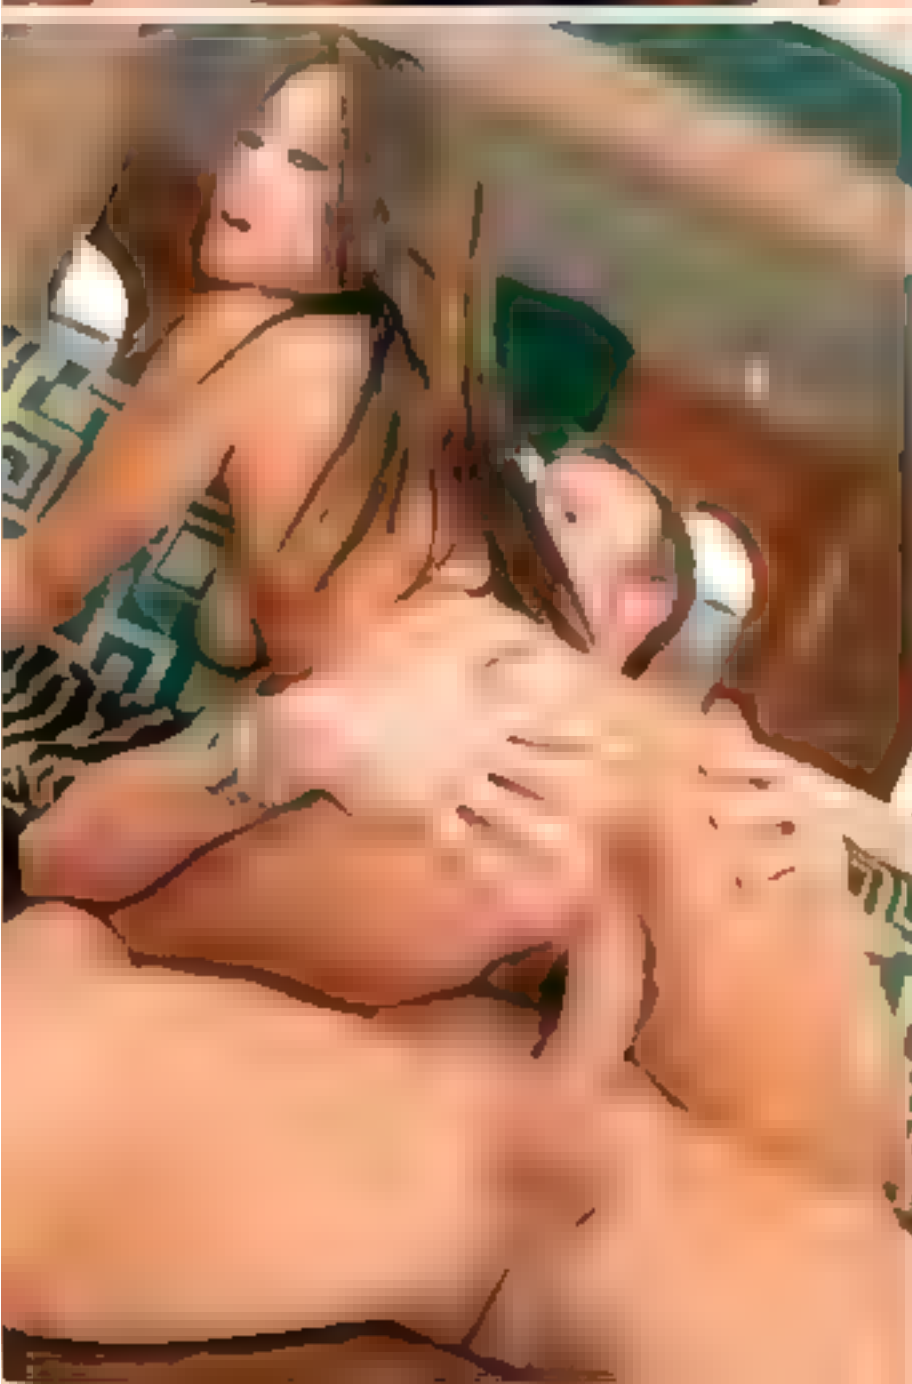

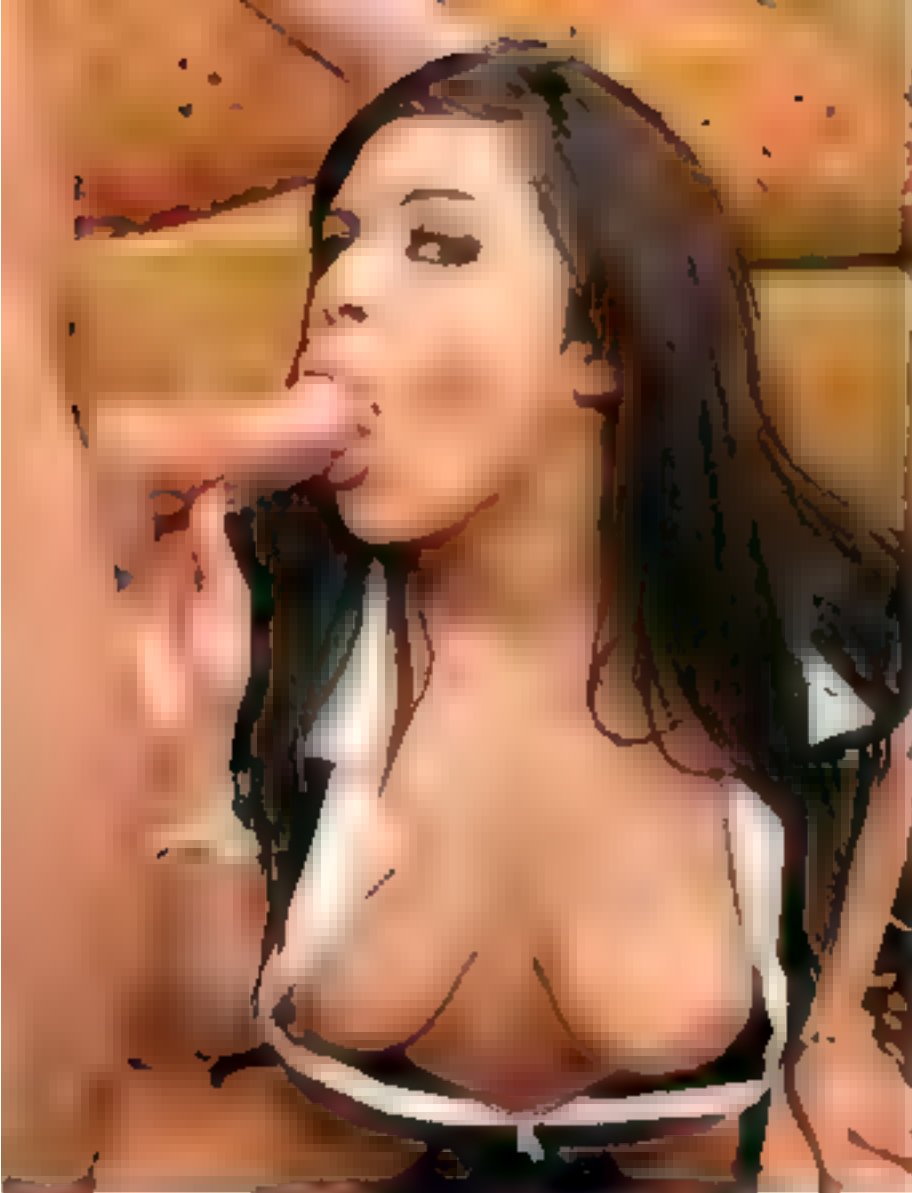

When it comes to cum, Kristina sucks his balls as he jerks off quickly, finally unleashing a massive load that splashes her mouth and face. She puts his dick in her mouth one more time and looks up at him as though she can't believe what she just experienced.

KIMMY THAI & MARK WOOD

Kimmy puts on a little show for the camera, but when Mark gets on the scene there's no lollygagging. Maybe some cock gagging, but chicks like Kimmy dig that.

Before she gives him the stroke and suck, she fondles her remarkably puffy pussy, and it isn't long before she is riding his cock reverse cowgirl, allowing us to see exactly what it looks like to have a huge cock stuffed in a pussy as fat as hers. She rides him hard, moaning loudly and pulls

her tits out of her shirt so we can watch their bounce. Mark gets her naked and nails her from behind, loosening her gash and sending her tits through their full range of movement. She reaches back and pulls her ass apart for greater access. "I love your fucking cock," she tells him between moans.

As she waits for his cum she plays with her twat and looks up at him anxiously, mouth open. When it comes, it comes hard, and there is splatter all over the lower hemisphere of her face.

TAYLOR THUNDER & MR. PETE

Taylor doesn't wait for Pete to get her off; instead she gets going all by her lonesome, playing with herself and even doing her girlhole with a glass dildo. Pete pops in and works with the dildo for a bit then remembers he has a replacement right between his legs, so he whips it out of his pants and into her mouth. Then he takes the dildo—which was crammed deep in her cooch all this time—out and digs in deep with his dick, slamming her doggie style.

When he plugs her missionary she looks up at him lovingly, one hand reaching down to guide his "fucking big dick" into her front door. Then he bends her over again and nails her good as she shakes her ass. "I love it!" she tells him. "I want you to cum inside me! I love the way you fuck me!"

When Pete does eventually get around to dropping his load, he goes external, dousing her bald snatch with his man juice. She doesn't seem to mind.

CLAUDIA ROSSI, JOHN STONE & MR. PETE

For some girls, one guy just doesn't do the trick, and Claudia is one of them. John starts on her ass as she sucks and jerks Mr. Pete. Then they bend her over for more of the same, and she gobbles gloriously while John pounds away at her asshole. Yet, still, the girl needs more.

John lies down on the couch and screws her pussy and Pete gets on top and squeezes it in her ass. Claudia would probably say something, but she's too busy moaning and smiling back at Pete and saying "Fuck! Fuck! Fuck!" Czech girl: So damn beautiful, so fucking dirty, so little English.

They turn her over, so John gets the ass and Pete gets the twat. She says some things that one presumes are filthy talk in her foreign tongue, and even if not, they sound good and dirty. She does speak a some English when she wants them to cum, and John gives her the first blast, while Pete sprays her face for a follow-up. She takes each cock in her mouth for cleaning duties and it's beautiful. ♡

marlann

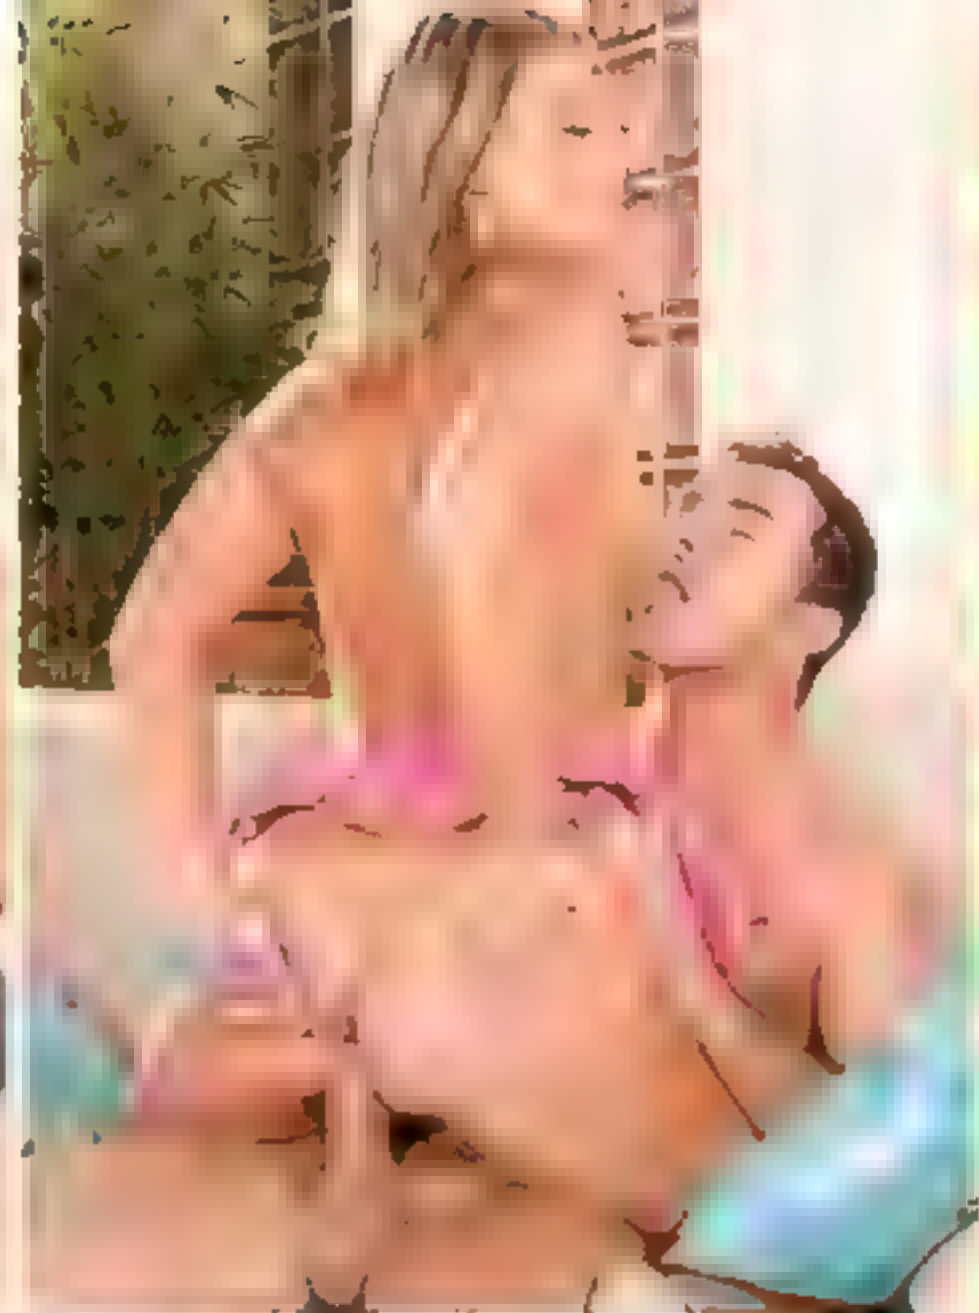

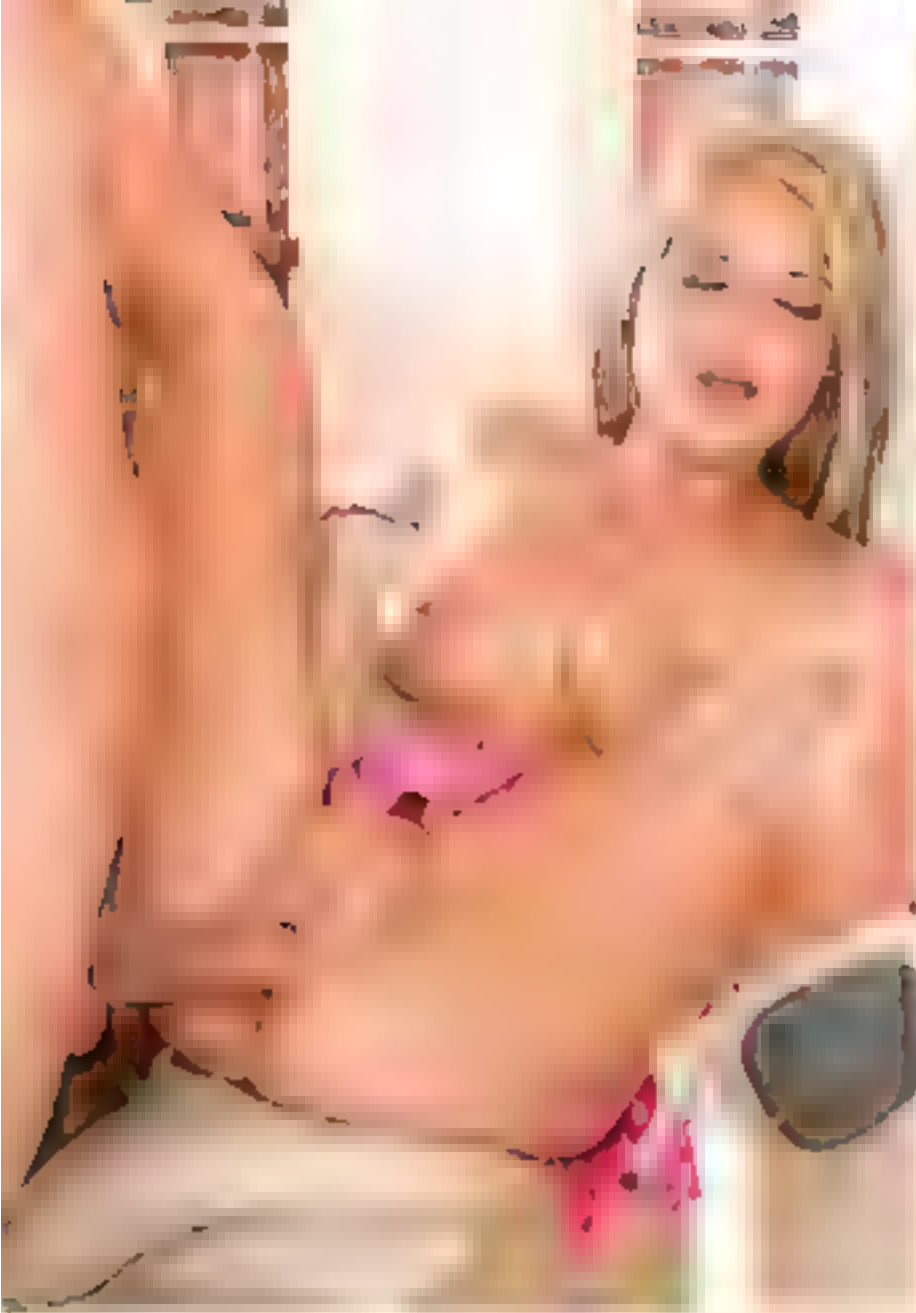

Marlann's new boyfriend is too huge to fit inside her asshole, even though she's been working a vibe up her butt for the better part of an hour trying to get it relaxed and stretched out. But it's no use. Marlann's beau will just have to settle for her pussy tonight. Once in, he can feel Marlann still plugging away at her ass, making her pussy even tighter. Her cunt lips squeeze his cock, draining his nut sack of hot jizz, and—just before he lets it go—he pulls his turgid cock out of Marlann's wet hole with a plop and blasts her face with his goo. She sucks his bloated head and licks his shaft lovingly as jizz drips from her chin. Bet you're glad that cock wasn't lodged in the depths of your bowels now, eh, Marlann? Probably not. Marlann loves the taste of her own ass juice. Dirty slut. »

outfat, booty & strap-on

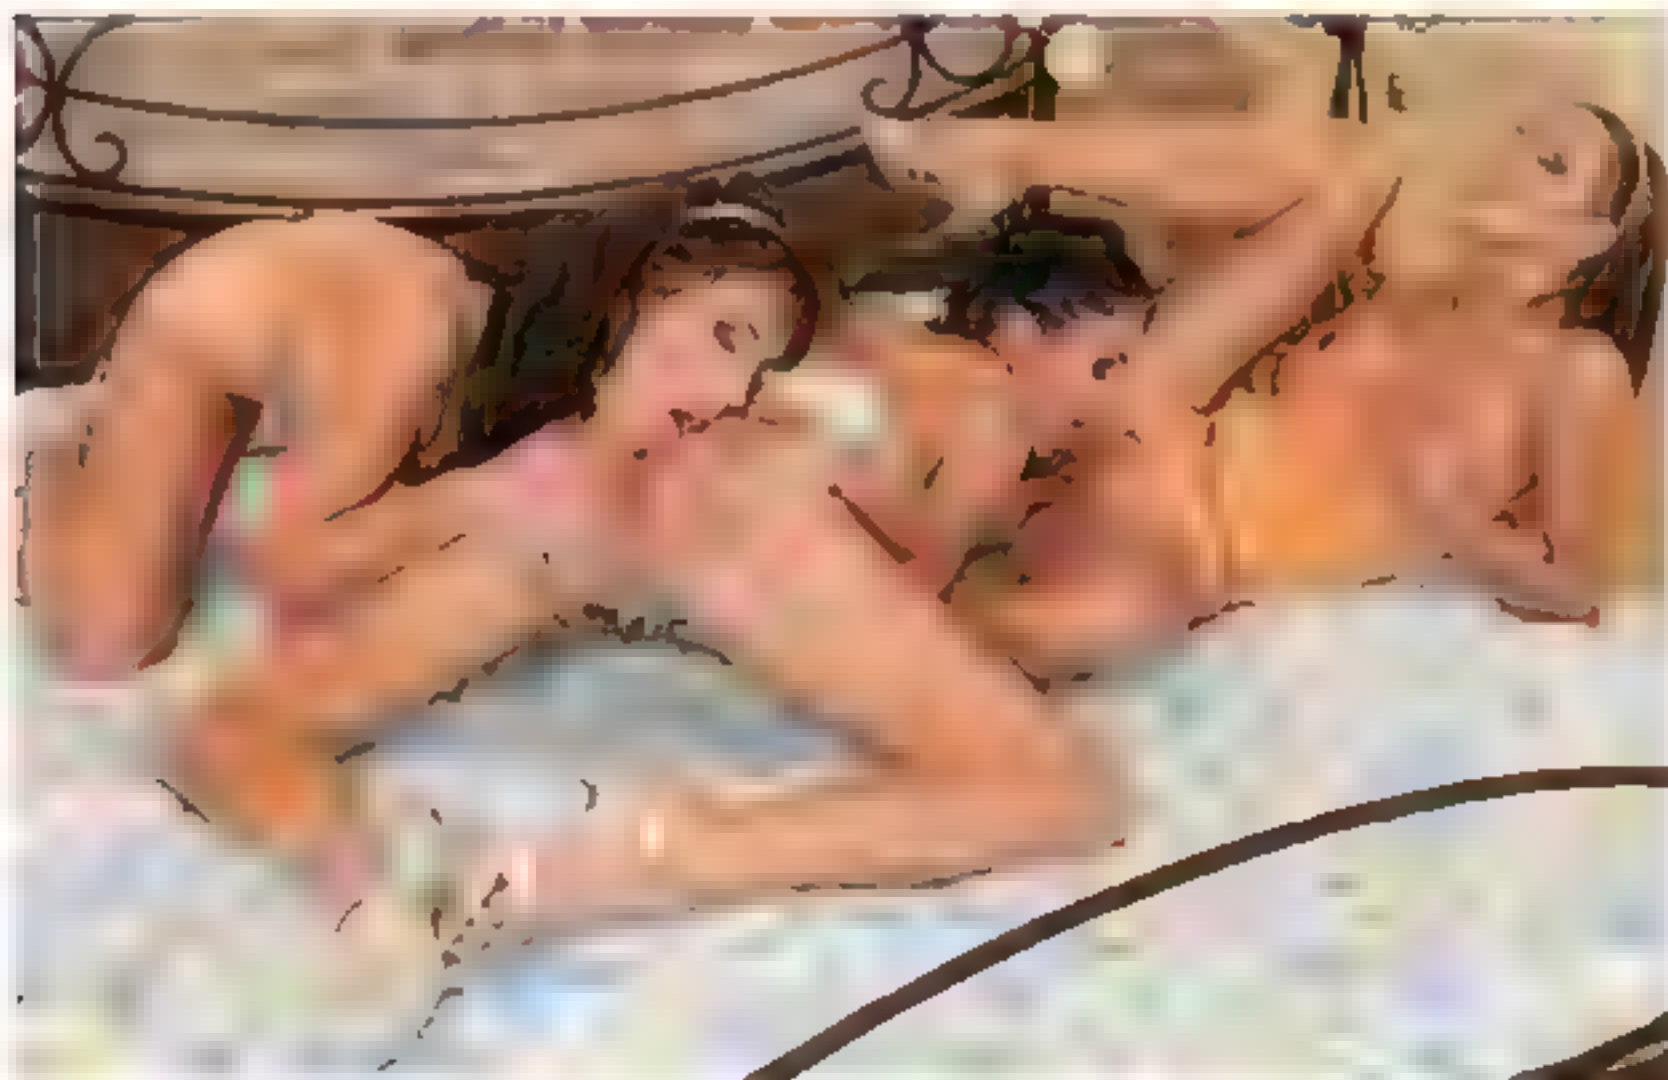

three's company

EUFRAAT, BILLY & STRACY

Three dykes Stracy, Billy and Euftrat share everything—clothes, boyfriends, girlfriends... even each other's bed. Today they're shacking up on Euftrat's queen size bed. They even have pet names they like to call each other by. Stracy is "blue jean femme" because she's the most girly of the three, but prefers wearing jeans and T-shirts. Billy is "soft butch" for her butch/femme personality, hence the name Billy. Euftrat is a "strum queen" because she loves rubbing her twat while her friends watch. Now that their pussies are wet, Euftrat goes in face first, between Billy's muff, while Stracy sucks on Billy's tits. Billy's more butchy side gets a hold of her and decides to take control of her lipstick lesbian buddies. But each is armed with a plastic cock, ready for insertion in any one of their hot, horny holes. That's a lot of cum spilling onto Euftrat's sheets. It's okay—Stracy and Billy will help her clean up. That's twat friends are for!
